

AVS IS MOVING!

After 23 years, AVS is leaving 100 Fernwood Avenue and moving the company to the historic Corn Hill neighborhood. Our new address is 215 Tremont Street (**Kee Lox Square**), conveniently located off Ford Street and the 490 expressway! We expect to continue to operate from the Fernwood location until our anticipated move on March 1, 2002.

What we won't miss: the lake in the parking lot.

What we're NOT taking with us: The dust.

What we ARE taking with us: Our memories; our 23-year commitment to meeting all your printing needs with quality products and fast service.

We are confident that our new facility will help us to serve you better. Thanks for your continued business and support.
